

Danielle Ehoff, Creative Movement Instructor

Danielle began cultivating a love for dance as early as three years old. After attending a summer at Ballet Austin in 2013, she was invited to stay as a trainee with the company for the 2013-2014 season where she performed with Ballet Austin II, and Ballet Austin.

Danielle began teaching in order to share her passion for dance with others. She currently is a master Creative Movement instructor at Ballet Austin, under the artistic direction of Joan Wolfe. Danielle enjoys teaching creative movement because of the ability to engage the all of the child's senses and imagination.
